

## Newsletter June 2017

Hi everyone!

So have you all checked out the new website yet? With more and more parents asking for their children to continue with our classes, we have raised the coaching age to 8 years old. With this in mind and to appeal to the older child, we have become Topspin Tennis Schools. However, that is not to say that we will lose Topspin Monkeys; far from it. For those starting to play tennis, Topspin Monkeys plays a huge role so you will still see 'Smash', our mascot, in every class.

In addition, we have a new email address [info@topspintennisschools.co.uk](mailto:info@topspintennisschools.co.uk) as well as [andy@topspinmonkeys.co.uk](mailto:andy@topspinmonkeys.co.uk)

Since Easter, two afterschool classes have started at our new venue in Pyrford. Already the first class is full, however a few places are still available within our 5-6 year olds class.

We are currently looking into additional venues for September with current and additional venues being considered to meet the demands from parents at different locations around Surrey.

I would love to offer more classes and am currently looking for an additional coach to join me. If there are any Mums or Dads who would be interested, or if you know anyone, please get in touch for further details.

Just a reminder, with summer around the corner, it is important that children attend class in the right attire. Sandals, especially Crocs, can be dangerous footwear when running around in class. Please can I ask that parents ensure proper footwear is worn at all times to keep all children safe.

Summer also provides further opportunities to have a hit in the garden or in your local park with your child. Just a reminder, that at Topspin Tennis Schools you can purchase rackets, balls and even portable nets for you to enjoy the game of tennis with the whole family.

Check out our 'Extras' page, speak to myself in class or drop me an email for further details.

Is your child a British Tennis Member? Whether your child is picking up a racket for the first time, or is a budding Andy Murray or Johanna Konta, your child will benefit from a Mini Tennis Rating and discount on the coolest kit out there. Did you know we did Birthday parties? This year we have already done five parties with more booked in. We have done a 'Space' themed party as well as 'Paw Patrol', 'Lego Star Wars', 'Superheroes' and 'Disney Planes'. We are always happy to discuss potential party themes, so please contact me if there is something you would like to do to make your child's party really memorable and different.
